

TO: ALL SBY REGIONAL AIRPORT TENANTS

FROM: Dawn RH Veatch, SBY Regional Airport Manager

SUBJECT: April 1, 2017 Tenant Meeting Invitation

Please join us on April 1st for our monthly Tenant Meeting. As the new manager at SBY Regional Airport, our community is important to me. And to that end, regular communications are an important part to building a positive relationship. We are here to service your needs.

The SBY Regional Airport has new opportunities for development and growth. In order for us to hear your concerns and for you to receive up-dates on the activities concerning our airport, the monthly meeting on the first Saturdays will provide that venue. In addition, the meeting agenda will be sent out as well.

In an effort to ensure communication to everyone, we will have a sign-in roster at the meeting for you to update your contact information. Please provide us with your email address for the ease of communications.

Thank you for your attendance and support.
